## Ms. Tamica's Talks

We appreciate the opportunity to work with each student in our preschool. As we measure their growth we are proud of their developments both socially and academically. Though we share reports with parents on a daily basis, its important to set aside more time to converse with each parent about student growth, past and future. That's our purpose of having parent teacher conferences. During this time parents can have a more in depth discussion with teachers about goals and expectations they have for their child. It is then, we can partner together and show our plan to help each student reach their personal goals and more by May 2016.

Our next parent teacher conferences will be Tuesday and Wednesday, February 23rd and 24th. Starting Monday, February 8th, parents can sign up with their child's teacher by filling in any available conference time slot. Please let your child's teacher know if you would need a separate date or time, to accommodate your schedule.

As always, please feel free to contact me with questions and concerns at [tgrady@skylineschools.com](mailto:tgrady@skylineschools.com) or 480.779.2001. Thank you for your partnership!

## New Teacher for 4s/5s Room

We have a new teacher in the 4s/5s classroom! Mrs. Heather MacFarland will be starting with Skyline Preschool Monday, Feb 8th and we are so happy to have her. She looks forward to working with each student and sharing her years of childcare experience. I'm sure it won't take her long to find out what we already know: Skyline Preschool students are Awesome! Please help us welcome Mrs. Heather into our Skyline Family when you see her.

## Kindergarten Roundup!

Skyline Preschool has partnered with Vector Prep & Arts Kindergarten Teachers to offer our promoting 4s/5s class parents a first look at the Kindergarten Program. The Open House isn't until May 7th, but Feb 26th you will get an opportunity to get an early start to speak with the teachers and register in a small setting, before the public.
