Chandler Campus

April 2016

Parent Night

Thursday, April 14th 5PM-6PM

Did you know our Preschool students have Super-powers? Ofcourse you do, because we have Super Parents! Come to Parent Night and see all the super things our Super Preschoolers are doing!

Spring/Cap & Gown Picture Viewing

Save the Date

With Picture Day come and gone, we are now in the waiting period until we get to the best part: Viewing the Pictures! In about 3 to 4 weeks, your child's pictures will arrive at the Preschool for you to view and choose which poses and backgrounds you will like to package for purchase. You will then have up to two weeks to return with payment and pick up your pictures. Closer to the pictures arrival, your child's teacher will give you your viewing date which you will be able to view and purchase your pictures, more details to follow soon!

The students in the 4s/5s class use their listening skills to learn more about the rules to their next challenge. With a quick 'thumbs up' they are ready to go!

The 3s/4s class use teamwork to show how easy it is to get a job done when you have friends!!

Ms. Tamica's Talks

First, Thank You again to all the parents who donated cases of water for our Water Drive! Also a special Thank You to the families of Michael Craig and Wesley Hammond who volunteered at our Skyline Olympics and to the parents of Colton Beers for provided a healthy snack to recharge our preschoolers after the event! Our preschoolers had a wonderful time at the Olympics and it couldn't have been a success without the help from our parents!

Speaking of our parents, Parent Night is Thursday, April 14th at 5PM. This will be a Super Night indeed, as your preschoolers will not only showcase songs they've learned in Music, but showcase their Super Math and Literacy skills while doing mini activities with their parents! You do not want to miss this event!!
