

Skyline Preschool's

# Dragonfly Dish

Chandler Campus  
July 2016'

## 'Meet Your Teachers' Open House Wednesday, Aug 3rd 4-6PM

Come and meet your child's teacher and see what exciting plans are in store for your child this school year! Learn more about your child's routines, expectations, developmental activities and curriculum.

## Last Day of Summer Camp - Friday, Aug 5th

We will celebrate the end of summer camp with a  
Under the Sea Luau!

## First Day of School - Monday, Aug 8th

Skyline Preschool will start its academic school year Monday, Aug 8th at 7AM. All students should arrive at school no later than 9AM, to ensure each child has full exposure to literacy, math, and other concepts taught through out the school day.

**Our Summer Camp students worked as a team to build a pattern with blocks for 'You Can Build It' week! We also displayed our patriotic spirit, making Red, White, and Blue finger paint crafts for 'America the Beautiful' week!**

**Students cool off during the hot weather with some Water Day fun!**

## *Ms. Tamica's Talks*

As Summer Camp comes to an end, and the 2016-17 school year begins, all of the teachers and I are so excited and ready to show all the new additions we have been working on this summer. Whether it's new décor and daily routines or new teachers and curriculum; we know our parents will appreciate the improvements made for our students.

Not only are we changing as a whole, but some of our students will be changing classes. Those who will be 4yrs old by Aug 31st (or Sept 30th if enrolling in Vector Kinder 2017), will be changing into the 4s/5s class room.

Leading up to the first day of school, which is Monday, August 8th, we will go over all important aspects of the school day, to ensure our parents are informed and confident in their decision to enroll at Skyline Preschool. I invite all families to attend our 'Meet Your Teacher' Open House, Wednesday, August 3rd 4-6PM. In addition to speaking with your child's teacher, I will be on hand to cover policies and procedures and answer any questions.

I look forward to partnering with all of our families to make this school year another great and successful one!
